Dear Dr. Chalkley,  
**REF: MS #02-280**

Thank you for the submission of your paper  
"Diagonalizations of circulant matrices and analogous reductions for  
group matrices"  
to the American Mathematical Monthly.

Our editorial review process is usually fairly quick but the actual  
refereeing process could take several months. We will contact  
you when we have more information regarding the status  
of your manuscript. Thanks for thinking of the Monthly.

Regards,  
Mrs. Margaret A. Combs  
Editorial Assistant  
American Mathematical Monthly
