

Join us for the 3rd Annual
Ohio River Analysis Meeting

March 9-10, 2013

Cincinnati, Ohio

hosted by the University of Cincinnati Department of Mathematical Sciences

ORAM is a collaborative effort of the research groups in Analysis and Partial Differential Equations at the University of Kentucky and the University of Cincinnati.

Invited Speakers

Rodrigo Bañuelos *Purdue University*

Tanya Christiansen *University of Missouri*

Robert Hardt *Rice University*

Steve Hofmann *University of Missouri*

Alexei Poltoratski *Texas A&M University*

Visit <http://math.uc.edu/ORAM> for more info and to register.

Opportunities for contributed talks and travel support are both available.

Please register by Jan. 31, 2013 to receive consideration for talks and/or funding.

Priority will be given to graduate students, post-docs, and early-career faculty.

ORAM encourages participation from members of underrepresented groups.

ORAM-III is made possible by the generous support of these organizations:

National Science Foundation | Charles Phelps Taft Research Center
University of Cincinnati Department of Mathematical Sciences
University of Kentucky Mathematics Department
UC McMicken College of Arts and Sciences | UC Office of Research
