

Join us for the 7th Annual
Ohio River Analysis Meeting

March 25-26, 2017

Cincinnati, Ohio

ORAM is a regional conference in Analysis and Partial Differential Equations jointly hosted by the University of Kentucky and the University of Cincinnati.

Invited Speakers:

Alex Iosevich University of Rochester

Andrea Nahmod University of Massachusetts

Stefanie Petermichl Université Toulouse III

Chris Sogge Johns Hopkins University

Jeremy Tyson University of Illinois

Visit <https://math.uc.edu/ORAM/> for more info and to register.

Opportunities for contributed talks and travel support are both available.

Please register by Jan. 31, 2017 to receive consideration for talks and/or funding.

Priority will be given to graduate students, post-docs, and early-career faculty.

ORAM encourages participation from members of underrepresented groups.

ORAM-7 is made possible by the generous support of these organizations:

National Science Foundation | Charles Phelps Taft Research Center
University of Cincinnati Department of Mathematical Sciences
University of Kentucky Mathematics Department
UC McMicken College of Arts and Sciences

And in cooperation with: Association for Women in Mathematics
