TECHNICAL WORK EXPERIENCE

- Lego Mind Storms Robot** Fall 2022
University of Cincinnati- Cincinnati, Ohio
- Created the code to make the robot maneuver over difficult obstacles.
 - Planned meeting times with my team for when we were going to build and code the robot.
 - Constructed the robot from the design that me and my team created.

ADDITIONAL WORK EXPERIENCE

- Red Robin** December 2021-Present
Red Robin – 1021 Gemini Pl, Columbus, Ohio
- Prepare and serve consistent, satisfying food for over forty families a shift.
 - Inspect work area and tools to meet standards and requirements consistently at shift completion.
 - Monitor and regulate temperatures of produce to ensure health and safety standards are met.
 - Teach new employees the rules of the restaurant along with their daily duties.
- Little League Umpire** Summer 2021
Worthington Youth Boosters – 200 E Wilson Bridge Rd, Columbus, Ohio
- Enforced the rules of baseball and made sure all players were following them accordingly.
 - Calculated the number of outs, balls, and strikes that occurred each inning.
 - Recorded the score and told the coaches what the score was at the end of each inning.

LEADERSHIP & EXTRACURRICULAR

- Thanksgiving Turkeys for Food Bank** November 2020
Thomas Worthington Football – Thomas Worthington Highschool
- Unloaded turkeys from the delivery truck and transported them to the food bank.
 - Coordinated the roles of what positions each player would be in transporting the turkeys.
 - Directed the cars which route they should take to deliver the turkeys as efficiently as possible

Spring 2024 CO-OP/INTERN AVAILABILITY
