Subject: I found your photos in Internet

Hi

I believe in my luck and I am never tired to explore the world and to look for happy moments. But I dream of someone to share my luck with!

I love life in its bright colours.

I am an extremely active person who leads a healthy way of life. My hobby is drawing and sport (running).

I am seeking a caring, understanding and honest man. And that is why I have just one question, maybe it's you ?

Write to me doknuu03@yandex.ru if you want to continue exploring with me!

Elena.
