TCP Segment Exercise Solution

Node A   Node B   size of data
                                                     in packet:

Seq: 34633
Ack: 35088   →

segment 10

                          Seq: 35088
                   ←   Ack: 34647

                          segment 11

Seq: 34647
Ack: 35135   →

segment 12

Seq: 34647
Ack: 35135   →

segment 13

                          Seq: 35135
                   ←   Ack: 34661

                          segment 14

10:
    _ 34647
       34633
          14

11:
    _ 35135
       35088
          47

12 & 13:
    _ 34661
       34647
          14
